

Changelog

Version 3.9.7

Release Version: 3.9.7
Release Date: Aug 9, 2024

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.9.6

Release Version: 3.9.6
Release Date: June 11, 2024

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.9.4

Release Version: 3.9.4
Release Date: August 30, 2023

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.9.3

Release Version: 3.9.3
Release Date: July 20, 2023

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.9.2

Release Version: 3.9.2
Release Date: May 3, 2023

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.9.1

Release Version: 3.9.1
Release Date: March 10, 2023

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.9.0

Release Version: 3.9.0
Release Date: February 3, 2023

Important note: These are only the platform specific changelogs, please check general changelog for further details.

No Platform specific change

Version 3.8.8

Release Version: 3.8.8
Release Date: December 15, 2022

Important note: These are only the platform specific changelogs, please check general changelog for further details.
